

TO WHOM IT MAY CONCERN

IN 1982 I BOUGHT THIS GUN NEW. I NEVER
HAD NO PROBLEMS WITH IT. ABOUT 5 YEARS AGO MY
SON WAS USING IT AND WHEN HE SAW A DEER HE
PUT THE SAFETY OFF & THE GUN FIRED! I DIDN'T
KNOW IF HE HAD HIS FINGER ON THE TRIGGER OR NOT, SINCE
HE WAS 15 AT THE TIME, HE SAID HE DIDN'T.

THIS YEAR MY DAD WAS USING IT & THE SAME
THING HAPPENED! PLEASE CHECK OUT THE
SAFETY & FIREWORK MECHANISM. THANK YOU.
