

Serial Number

B6216910

Model: 700

RE00050516

After speaking to a customer representative regarding the BL Safety program which this gun qualifies for we are sending in the gun to be brought up to date. This gun is also automatically discharging. I was sitting in the gun and it went off on its own. I have heard of other instances where this same gun has had this problem. Per the telephone conversation I have enclosed a check for \$21.00 for the safety program. The following is the requested information:

Thomas Pottle.
439 Cannon Hill Road
Perry, ME 04667
(207) 853-4419.
