GENTLEMEN,

THE GUN INCLOSED IS JUST
OVER 2 YEARS OLD. IT HAS BEEN
FIRED ONLY 18 TIMES.

WHEN I WENT TO UNLOAD IT
AFTER HUNTING, I PUSHED THE
SAFE TO THE FIRE POSITION TO
EMPTY THE GUN. AT THAT TIME IT
FIRED.

I HAVE TRIED THIS SINCE THEN
AND ON OCCASION IT HAS FIRED.
ONCE IN MANY, MANY TIMES OF
PUSHING THE SAFE ON AND OFF
(OVER)

ALSO WHEN I WAS GETTING READY
TO SHIP THE GUN. THE BOLT
WOULD NOT CLOSE.

PLEASE REPAIR AND RETURN.
IF THERE ARE ANY QUESTIONS
MY PHONE NUMBERS ARE AT THE
TOP OF THE LETTER ON THE
OTHER SIDE.

THANK YOU
