Remington Service Division
Remington Arms Co. Inc.
Elizav, New York 13357

Dear Sir -

The enclosed Remington Model 700 BDL,
270 S/N A6491903, was returned to
me with the following comment:

When Bolt is closed the gun will
occasionally fire without touching the
trigger.

Please check it out & Repair as
necessary.

Thanks.

Gen Presnell
