January 23, 1990

Dear Mr Stepe;

I called and was told to ship  
this gun 243 - BDL. to your  
department.

I has developed a habit of  
firing when the safety is released  
and an attempt to fire, it doesn't  
fire, then when I go to eject the  
unfired casing it fires as the  
bolt starts upward.

Yours truly

Frank Rubik
