Red's Gunsmith called (907) 344-4867

wanted to say in regards to attached 7/700
 involving Mr. Rehm, when the gun came in - it
 did not have a safety on it.

called Red 9/4/90 - he stated that when this rifle was brought to him
 by 306 Rehm, it did not have a safety on it. Rehm told Red that

"SAFETY APPLIED IS INJURY DENIED!"

he had installed an after-market 3-position striker block safety - he later brought the
 original firing pin & safety lever - Red installed after sending rifle to co. JCS.
