10044 Hooper Rd.
Baton Rouge, LA 70818
(225) 261-4860

Remington Arms Co.
14 Hyfler Ave
Allison, NY

The enclosed firearm was brought in for a safety check. The customer, Jim Kuylen said that the gun fired when he closed the bolt. We were unable to find any problem, nor duplicate a malfunction. After speaking to the factory he was sent a shipping label and brought that to us to ship his gun. Please return ship the firearm to us per the customers request.
