To Whom It May Concern:

RE: Remington Rifle  
Serial #6342162 - Model 700

We are returning the enclosed rifle for repair, as it has fired on several occasions when the trigger was not touched. It was also announced on television that if anyone had any trouble with their rifle they should contact the Remington Company.

We called your company and were told that we should return the rifle and that the company would correct the problem. They also advised us to enclose a check in the amount of \$20.00. We are then also enclosing check #1389 in the amount of \$20.00.

Please correct the problem and return the rifle to us as soon as possible. Tank you for your prompt attention.

Sincerely,
