Sir,  
Remington Model 700  
270 Winchester  
Serial No. 6515790

This gun will fire when  
you push the safety off.  
It also went off when I  
was ejecting the shells with  
the bolt to empty the gun.  
I would like it updated  
and Repaired.

Thank you.  
over please
