

MARCH 25 1994

SIRS.

OF THE REMINGTON FIRE ARMS CO  
WITH REFERENCE OF THE 60 MIN PROGRAM APR 14  
AS OF MARCH 20-94 ABOUT SAFE GUNS  
I PURCHASED A REMINGTON 700 - 30.06 BOLT ACTION  
SCOOP + ALL BDL - SER# 6448518 SOME 20 YRS AGO.

MY FIRST TIME OUT WE WERE STANDING IN A GROUP  
OF HUNTER FRIENDS AFTER A NONESUCCESSFUL DAY  
AS I WAS UNLOADING GUN IT WENT OFF LUCKY I  
WAS AWAY FROM THE GROUP ALL THE MEN BLAMED  
ME FOR FIRING THE GUN BUT I KNEW I DIDNT  
DO ANYTHING WRONG. SINCE THAT DAY I HAVE  
BEEN SCARED TO DEATH TO CARRY IT. TO HUNT  
WITH IT. I STILL HAVE A BRAND NEW GUN IN CASE  
BUT NOW SEEING 60 MIN. ON MARCH 20 AND THOSE  
SAYING TO THIS MODEL I HAVE CALLED ONE OF MY  
FRIENDS THAT WAS IN MY PARTY THAT DAY TO EXPLAIN  
WHAT HAPPEN. BUT HE SAID HE SAW THE PROGRAM  
& THOUGHT OF ME. I AM VERY BELIEVED TO SEE  
I WASNT TO BLAME SINCE THEN I HAVE USED AN  
OLD 30.40 KRAIC. ARMY RIFLE

BUT I PURCHASED A REMINGTON PUMP 3006 FOR  
MY SON IN LAW

CAN MINE BE REPAIRED & SAFE AS I REFUSE  
TO CARRY THIS 700 IN THE WOODS

THANK YOU FOR SUGGESTIONS

I AM ALSO MEMBER

NRA FOR GUN HANS
