

RE: SERIAL # A6223359

Rem. Mohawk-600, .24

DEAR SIRs,

PLEASE EXAMINE MY RIFLE AND DO  
WHATEVER IS NECESSARY TO RESTORE  
MY PIECE OF MIND.

THE PROBLEM: WHEN MY WIFE WAS  
UNLOADING THE GUN AFTER THE LAST  
HUNT OF THE YEAR, IT DISCHARGED  
WHEN SHE TOOK IT OFF SAFETY.  
SHE DID NOT TOUCH THE TRIGGER.

AS YOU KNOW, THIS IS WHAT THIS SAME  
GUN WAS RECALLED FOR BACK IN '78.

I AM VERY FOND OF THIS GUN AS  
IT WAS MY FIRST DEER RIFLE. HOWEVER  
MY WIFE IS UNDERSTANDABLY SHAKEN  
BECAUSE HAD I BEEN STANDING A LITTLE  
CLOSER TO HER WHEN IT DISCHARGED...  
I WOULD REALLY LIKE TO CONTINUE TO USE  
IT IF IT IS SAFE.

PLEASE RETURN TO: RUSSELL TERRELL
