Arms Service Division
14 Hoefler Avenue
Ilion, NY 13357

Dear Sir:

I have enclosed a copy of my letter dated December 5, 1994,
as requested by Fran Cole of your Arms Service Department
in her letter dated January 5, 1995.

Please note the rifle snapped when the safety was disengaged
only once. I have operated the bolt and safety numerous
times but it has not failed to function properly again.

Sincerely yours,

William R. Thomas

William R. Thomas

Enclosure:

Letter dated December 5, 1994
