Subject: #4930, Model 700

Dear Mr. Archibald,

Per our phone conversation, enclosed is a prepaid UPS ground shipping label for shipment of the firearm to our factory for inspection. Please include a copy of the attached letter with the firearm. **The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly.** Please mark the ends of the box with "Supry". I will contact you after inspection with the results.

I apologize for the inconvenience that this incident has caused and I hope that these actions will keep you as a loyal Remington customer.

Sincerely,

Christy Mitchell
