10/18/10 Per call from Fritz, he bought this rifle in 1969 and around 1974 he had it fire when he took the safety off. No damage, just scared all that were around him. He uses Hoppes gun oil but does not oil the trigger. I recommended an action cleaner to clean old oil and debris that runs down out of the trigger each year. He called after seeing ad for CNBC report preview.cm
