Dear Mr. Vest,

Enclosed is a prepaid UPS shipping label to cover shipment of your firearm to our factory for examination.

Please include a copy of this letter to put inside the shipping container. The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly. Mark the ends of the box with "Product Service". Product Service will be inspecting the firearm and will contact me with the results.

I hope that this action will keep you a loyal Remington customer.

Sincerely,
D. Fulcher
