11/30/10 Per call from Nettles, about a week ago he set his rifle in the back seat and was going to unload it so he flipped the safety off and it fired, shooting out the window in his truck. Last night he saw the CNBC program. He has fixed the window and is not asking us to cover that. He just wants the rifle to be safe. It was passed to him from his grandfather. It has the bolt lock.cm

Dear Mr. Nettles,

Enclosed is the prepaid UPS ground shipping label. Please include a copy of this letter with the firearm. **The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly.** Please mark the ends of the box with "Product Service". Apply the label to your box and take it to a UPS terminal or driver for shipping.

I apologize for the inconvenience that this incident has caused and I hope that these actions will keep you as a loyal Remington customer.

Sincerely,

Christy Mitchell
