We would like to have the firearm come into our Product Services Department at our factory for examination. Please reply back to me with the serial number of the firearm, caliber, your mailing address and phone number. We would like to send you a pre-paid shipping label for UPS to have the firearm come in. I will also include a form that you can fill out to let the examiner know exactly what happened, and when this occurred.

Sincerely,

Dell

To Whom this may concern,

Yesterday I went to a local range with my wife and mother-in-law. While my mother-in-law was firing the weapon she was chambering another round and as soon as she locked the bolt the rifle fired without her finger being on the trigger and the weapon was on safe. please email me back at either raceman7788@aol.com or david.l.smith12@usmc.mil. thank you very much

Regards,

Cpl Smith, David

Dear Mr. Smith,

You will receive a shipping label for UPS by email in 2-3 business days. Please include a copy of this letter to put inside the shipping container. The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly. Mark the ends of the box with "Product Service". Product Service will be inspecting the firearm and will contact me with the results.

I hope that this action will keep you a loyal Remington customer.
