Mr. Chapman, if you can forward your serial number I can check it to see if it was ever under recall. I can also send you a prepaid UPS ground shipping label to cover shipment to our factory for inspection. If there is a defect found we would cover repair of the rifle. If not, we would contact you with the quote and get your approval before doing any work on it. If you did not agree with the quote we could also return it as received at no charge at that time.

If you would like the label, please forward your mailing address and phone number.

Sincerely,  
Christy Mitchella
