Subject: #6072, Model 700

Dear Mr. Patterson,

Thank you for your patience. Enclosed is the UPS ground prepaid shipping label to cover shipment of the firearm for inspection at our factory. Please include a copy of this letter with the firearm. **The letter inside is important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly.** Please mark the ends of the boxes with "Product Service".

I apologize for the inconvenience that this incident has caused and I hope that these actions will keep you a loyal Remington customer.

Sincerely,

Christy Mitchell

Mr. Patterson, I apologize for the delay in responding. I can email a UPS ground prepaid shipping label to cover shipment to our factory in order for us to inspect it for the problem you have had. After inspection we would put it on hold and contact you with the results and resolution. I will put in the request for the label to get that in the works for you. You should receive an email within the next 24-48 hours. Print the label and tape it to your box. Take the box to a UPS terminal or local dealer and they can scan and ship it no charge.
