11/26/12: Customer stated she had a FSR w/rifle on 11/17/12. No damage, No injury. She took rifle to a gunsmith in her area & he could not find anything wrong with the trigger. She said that he replaced the trigger with an aftermarket trigger & charged her \$200 for the work. She stated she was upset that she had to pay for a new trigger when the gun was barely 2 years old, she still did not like the gun & was going to sell it. df
