NOTICES, INSTRUCTIONS AND DEFINITIONS

Purpose of the Form: The information and certification on this form are designed so that a person licensed under 18 U.S.C. § 923 may determine if he or she may lawfully sell or deliver a firearm to the person identified in Section A, and to alert the buyer of certain restrictions on the receipt and possession of firearms. This form should only be used for sales or transfers where the seller is licensed under 18 U.S.C. § 923. The seller of a firearm must determine the lawfulness of the transaction and maintain proper records of the transaction. Consequently, the seller must be familiar with the provisions of 18 U.S.C. §§ 921-931 and the regulations in 27 CFR Part 478. In determining the lawfulness of the sale or delivery of a long gun (rifle or shotgun) to a resident of another State, the seller is presumed to know the applicable State laws and published ordinances in both the seller's State and the buyer's State.

After the seller has completed the firearms transaction, he or she must make the completed, original ATF Form 4473 (which includes the Notices, General Instructions, and Definitions), and any supporting documents, part of his or her permanent records. Such Forms 4473 must be retained for at least 20 years. Filing may be chronological (by date), alphabetical (by name), or numerical (by transaction serial number), as long as all of the seller's completed Forms 4473 are filed in the same manner. FORMS 4473 FOR DENIED/CANCELLED TRANSFERS MUST BE RETAINED: If the transfer of a firearm is denied/cancelled by NICS, or if for any other reason the transfer is not complete after a NICS check is initiated, the licensee must retain the ATF Form 4473 in his or her records for at least 5 years. Forms 4473 with respect to which a sale, delivery, or transfer did not take place shall be separately retained in alphabetical (by name) or chronological (by date of transferee's certification) order.

If you or the buyer discover that an ATF Form 4473 is incomplete or improperly completed after the firearm has been transferred, and you or the

buyer wish to make a record of your discovery, then photocopy the inaccurate form and make any necessary additions or revisions to the photocopy. You only should make changes to Sections B and D. The buyer should only make changes to Sections A and C. Whoever made the changes should initial and date the changes. The corrected photocopy should be attached to the original Form 4473 and retained as part of your permanent records.

Over-the-Counter Transaction: The sale or other disposition of a firearm by a seller to a buyer, at the seller's licensed premises. This includes the sale or other disposition of a rifle or shotgun to a nonresident buyer on such premises.

State Laws and Published Ordinances: The publication (ATF P 5300.5) of State firearms laws and local ordinances ATF distributes to licensees.

Exportation of Firearms: The State or Commerce Departments may require you to obtain a license prior to export.

Section A

Question 1. Transferee's Full Name: The buyer must personally complete Section A of this form and certify (sign) that the answers are true, correct, and complete. However, if the buyer is unable to read and/or write, the answers (other than the signature) may be completed by another person, excluding the seller. Two persons (other than the seller) must then sign as witnesses to the buyer's answers and signature.

When the buyer of a firearm is a corporation, company, association, partnership, or other such business entity, an officer authorized to act on behalf of the business must complete Section A of the form with his or her personal information, sign Section A, and attach a written statement, executed under penalties of perjury, stating: (A) the firearm is being acquired for the use of and will be the property of that business entity and (B) the name and address of that business entity.
