A prepaid UPS shipping label to cover shipment of your firearm to our factory for examination will arrive in a separate email. The shipping label is for a UPS Hub or UPS Terminal.

Please include a copy of this letter and service request to put inside the shipping container. The letter and service request inside are important as sometimes the outside label gets damaged in transit and we want to be sure the firearm is logged in correctly. Mark the ends of the box with "Product Service". Product Service will be inspecting the firearm and will contact me with the results.

I hope that this action will keep you a loyal Remington customer.

Re: Remington Model 700 SPS .270
Serial No.: G6548620

Dear Gentlemen:

Enclosed is my son's Remington .270. We have had the rifle for less than four years and this is the second time that I have shipped this rifle to you for problems with it. Currently, I am having the following problems:

1. The magazine well will not allow more than two cartridges to be loaded at a time, when it should in fact allow four cartridges to be loaded.
2. On two separate occasions, during the first two weeks of whitetail deer season, when a cartridge is loaded and the safety is flipped to the fire position, the rifle discharges automatically. Thankfully, a foot was not blown off because of this malfunction. I am requesting you to replace the entire trigger/safety part with a properly working part and test it further.

I have always been a Remington rifle owner and have believed in your product quality and performance. However, this rifle has been a disappointment to us, especially when it is not being able to be used during whitetail deer season this year. After discussing the problem with your customer service center, they asked that I shipped this rifle to you.

Dell:

I shipped the gun today via UPS and they would not use the prepaid shipping label you provided since it did not have the correct bar code for UPS. I had to drop gun off with a UPS shipper and paid the shipping charges which totaled \$23.08.

I will provide you with the receipt.
