Sirs,

I was instructed by Ken, at 1-800-243-9700, to
send this Model 700 30-06 to you for repair.

When I chambered a round with the weapon on
"Fire" it discharged as soon as the bolt went home.

Then when I attempted to fire it, it would not fire.
As soon as I pushed on the safety to make sure it was
on "Fire" it discharged.

Also please send an owners manual.

Thank You

Roger Polk
