To Whom it may concern,

Could you please check this RIFLE out, It was sold
last month to a ~~customer~~ customer. He said that the Gun went
off when he bolted the bolt back down and it fired,
so he brought it back to our store and it done
exactly what he said it did in my store, but it was
unbated this time. It does not do it everytime, but
it will do it. Remington 700 ADC 270 cal. PLEASE
Return to Above Address.

Thanks,

Shannon Lyndon
