Unable to duplicate customer concern as noted. Took Stock off gun found that all three trigger screws have been altered outside of the factory - not recommended. Exchange trigger at a special price strictly as a gesture of good will.

COMMENTS

Trigger pull 2 3/4 to 3 LBS as noted.

RE: Model 700 .308 Ser. # C6524054

Sirs,

My customer asked us to ship this rifle to have you inspect the safety. On one occasion, the rifle fired after switching the safety off. Please inspect and correct if there is a problem. Contact me if there are any charges.

Sincerely,

Garrett K. H. Zane
President
