To Whom it may concern,

Once the safety is put on if you touch the trigger even just a click. Once the safety is taken off the gun fires automatically without touching the trigger. We had a close call please check and repair this.

Enclosed is a rifle that my customer brought to me to ship for him.

It is a Remington Model 700ADL in 243 win. He has included a letter explaining the problem he is experiencing. For your convenience he has included his address and phone number if you need to ask him any questions.

If I can be of any assistance, please call me at 207-642-3514.

Thank you,

Kelly Worster(Sanborn)
