Dennis

I bought this gun for my
13 year old boys. When he put
the safety off the gun went
off, so I put it back on safety
and gave the gun to my son.

I put a new shell in this
gun and then I put the safety
off and the gun went off.

I put the gun up and when
I got home I cleaned it
and tried it several times
and it went off again.

while I was at the house.

I gave him \$10.00 to take the scope
off and to put it back on. It
was \$34.75 for fed express.

DONE 11/1/99

my boy would take the
racing car but for you
was talking about

Thanks

Donald
