Chris Rinard – Remington 700 .300 WSM produced 2002: Customer sent in an email. He stated that he had a loaded rifle in his truck on 10/23/10 and the safety was giving him an issue. When he unloaded & then loaded a round & took the safety off, the gun fired and shot a hole in his truck & his friend's truck. No injury. He wants us to fix the rifle & pay for repair of the trucks. He stated it was around \$5,000 in damages & he is having an attorney look into the matter also. Received signed release. Submitted for approval, refund for repairs at \$4,390.04 and repair of the rifle at no charge.
