- Most advanced autoloading shotgun of all times
- Handles 2 3/4" & 3" 12-gauge loads interchangeably

- Three ProBore™ chokes – Improved Cylinder, Modified, and Full
- Aircraft-grade titanium receiver body, resulting in lighter weight and unprecedented corrosion resistance
- TriNyte Black coating for ultimate in scratch and mar resistance
- Skeletonized receiver with carbon fiber shell for attractive, modern look, while reducing the overall weight of the gun
- Unique "Double-Down" bottom feed and eject system
- Target Grade Trigger – newly designed trigger group for a crisp consistent trigger pull
- Features a new convex R3® recoil pad designed to reduce felt recoil nearly 50%
- Advanced gas operating system provides unprecedented recoil reduction and reliability

Standard Model 11-87™ Barrels - Polished Blue Finish - Special Purpose Barrels - Matte Black Finish

Standard Model 1100™ Barrels - Polished Blue Finish - Special Purpose Barrels - Matte Black Finish

Standard Model 870™ Wingmaster Barrels - Polished Blue Finish - Special Purpose & Express Barrels - Matte Black Finish

\* These Model 11-87™ 12-ga. barrels are not equipped with a pressure compensating gas system. Target barrels are intended for use with target ammunition only (3 1/4 dr. powder, 1 1/4 oz. lead shot - max.). Deer and turkey barrels are not intended for light loads.

NOTE: Model 870™ Extra Barrels with 2 1/4" chambers will fit Super Magnum™ Magnum and 2 1/4" receivers. Use only 2 1/4" shells in these barrels.

NOTE: Model 870™ Extra Barrels with 3" chambers will fit Super Magnum™ Magnum and 2 1/4" receivers. These barrels will handle both 2 1/4" and 3" shells when used on Magnum receivers. Use only 2 1/4" shells when these barrels are used on 2 1/4" receivers.

NOTE: Model 1100™ Steel Shot Barrels are designed for use with 2 1/4" or 3" Magnum steel or lead shotshells when used on Magnum receivers and 2 1/4" or 3" Magnum steel or 2 1/4" lead shotshells when used on non-Magnum receivers.

NOTE: The fore-end of a light contour Model 11-87™ may not fit over a standard contour extra barrel. Alteration to the LC fore-end or the use of a standard Model 11-87™ fore-end may be required. Light Contour Model 11-87™ extra barrels fit all Model 11-87™ shotguns.

- Our Copper-Lok® copper-plated lead shot is high in antimony content, making it the hardest lead we make for hunting
- Hard shot stays rounder for truer, tighter flight and penetrates better than standard shot
- Available in both high velocity and magnum loadings in both 12- and 20-gauge

- The best high-performance shotgun slug in the industry
- The only bonded shotgun slug on the market – near 100% weight retention
- Remington® patented spiral nose cuts ensure near 2x expansion
- Flat Trajectory – 10% flatter than competition
- Deeper Penetration through bone and tissue
- High Ballistic Coefficient due to sleek ogive design
- Designed for use in fully-rifled barrels

- Hollow-point nose section provides reliable and uniform expansion with 100% weight retention
- The hollow-point cavity is formed by six, separate petals in an inwardly-curved, spiral design
- Upon impact, petals mushroom open quickly to twice the diameter of the .58-caliber slug body
- Consistently produce groups of 2 1/2 inches or less from Remington's fully-rifled slug barrels at 100 yards
- Designed for use in fully-rifled barrels

Slug Type Description: CLHP = Core-Lokt® Bonded Hollow Point / CSHP = Cooper Solid Hollow Point

- The hardest-hitting, most accurate, highest energy lead slug line
- Devastating mushroom performance
- Heaviest lead slug line
- Extremely accurate in all loads

- Lethal energy out to 150 yards in 12-ga., 100 yards in 20-ga
- Nearly 100% weight retention
- Designed for fully-rifled or rifled choke tube barrels

- Reintroduction of the lead 7/8 ounce Foster-style slug with a new attitude
- Most popular style shotgun slug for smooth-bore hunters
- 200 ft. pounds more energy at 50 yards than competitive 1-ounce slugs
- Best in Class smooth-bore slug
- Designed for use in smooth-bore barrels only

- Optimized shape and increased diameter offer improved aerodynamics and accuracy
- Alignment disc in wad column provides straight push down barrel and reduces barrel leading
- 12-ga. magnum shoots 25% flatter than regular 12-ga. 1 oz. slugs
- Standard velocity slugs are also available in 12-, 16-, 20-ga. and 410 bore
- Designed for use in smooth-bore barrels only

Slug Type Description: ALS = Accurized Lead Slug / RS = Rifled Slug / RSHP = Rifle Slug Hollow Point

## INTRODUCING REMINGTON® WINGMASTER HD™

The most effective waterfowl shot in the world. You'll fold birds with authority,  
at greater distances and more consistently it's ... **DROP-DEAD BETTER.™**

**NEW**  
FOR 2006

### FEATURES

HD = Heavy Density (12.0 g/cc)

Proprietary composite of  
Tungsten-Bronze-Iron shot

Round, consistent pellets:  
– Travel straighter and longer  
– Improves long-range lethality  
– Tighter patterns  
– More even pellet distribution

Uniform pellet density

12.0 g/cc density for optimal combination  
of density and pellet count

Softer pellets are easier on your barrel  
and more responsive to chokes

Better patterns at long and short ranges

Approved for waterfowl hunting  
by the USF&W

AMMUNITION

# SHOTSHELLS, CONT.

## **NITRO-STEEL™ HIGH VELOCITY MAGNUM LOADS - ZINC GALVANIZED STEEL** (Packed 25 Rounds Per Box, 10 Boxes Per Case, 250 Rounds Per Case)

- Complete line from Heavy Payload to High Velocity, 10- to 20-gauge
- Features Zinc Galvanized steel shot to prevent corrosion and "clumping"
- Versatility to handle everything from small ducks to Greater Canada Geese
- Wetproof™ primer and crimp sealing locks out moisture
- Broad range of specifications for all non-toxic hunting situations
- Increased velocity allows shorter leads, while delivering greater reach, denser patterns and higher down-range energy for superior knockdown power
- Special polymer shot container protects barrels

NOTE: In T and BBB, shot charge is determined by pellet count rather than weight. The approximate pellet counts are: NS10M: T-88, BBB-102; NS1235: T-81, BBB-94; NS12HM: T-68, BBB-78; NS12M: T-62, BBB-72; NS1235HV: T-71, BBB-83

- Expanded line offering
- Upgraded Primer for even more consistent performance
- Remington® Power Piston® one-piece wad
- Low base brass-plated head for strength
- Chilled shot for uniform patterns
- STS-style hull for reliable reloading

\*Copper-Plated  
\$ Subject to Stock

- New softer-recoiling Nitro 27 loads
- All skeet, trap and sporting clays loads feature the exclusive STS mouth design
- Skive depth is increased to 1/2", travels beyond the hinge point of the crimp, greatly reducing the angle of taper
- Improved ease of reloading, smoother wad insertion, less force required to crimp, higher crimp memory
- Most reloadable hull on the market
- Less crimp opening resistance for wad and shot reduces disruption of shot column, improves pattern distribution, density and reduces felt recoil
- Reload w/ Remington Fig. 8S, TGT12S, RXP12, RXP20, PT28, SP410 Power Piston® one-piece wads
- For best results use the STS System: Hull, Primer, Wads, & Shot

- Impressive line of big-game loads that provide polymer tip ballistics with bonded weight retention
- Polymer tip and boat tail base combine to minimize air resistance at the bullet nose and reduce drag at the base; results in remarkably flat trajectories
- Progressively tapered copper jackets are bonded to lead cores for controlled expansion and more than 75% weight retention
- Secant ogive profile for high ballistic coefficient

- Bonded bullet for up to 95% weight retention
- Outstanding accuracy in a high performance big game bullet
- Designed to deliver 2x expansion from 50 to 400 yards
- Core-Lokt manufacturing process provides deep penetration for deadly on game performance

Available in a number of styles, including:

### CORE-LOKT® SOFT POINT

- Provides superior penetration and controlled expansion on medium and heavy game
- Heavy jacket mid-section locks the lead core and jacket together and stops expansion at optimum point for maximum energy transfer
- Bullet remains intact upon impact, expands in controlled manner and mushrooms uniformly to nearly twice its original diameter

### CORE-LOKT® POINTED SOFT POINT

- Features sleek nose profile for higher ballistic coefficient and flatter trajectory at longer ranges
- Heavy jacket mid-section locks the lead core and jacket together and stops expansion at optimum point for maximum energy transfer
- High retained down-range energy and controlled expansion on impact make this the perfect choice for medium to heavy game

### POWER-LOKT® HOLLOW POINT

- Offers long-range pinpoint accuracy
- Copper jacket electrolytically plated to lead core, forming a perfectly balanced, concentric projectile for true flight
- Superior accuracy and rapid, total expansion make Power-Lokt® ideal for long-range varmint shooting
- Instant break-up minimizes ricochet

\*Packed 50 Rounds Per Box, 500 Rounds Per Case

- High-performance jacket (HPJ) handgun ammunition built around revolutionary hollow-point bullet design
- Offers match grade accuracy, maximum expansion, deep penetration and virtually 100% weight retention
- Jacket made entirely of cartridge brass, which releases energy over longer distance while mushrooming
- Spiral nose-cut feature permits mushrooming at lower velocity without sacrificing penetration or terminal performance
- Primer and mouth waterproofing standard
- Cases nickel-plated for reliable feed, function and extraction

- Rapid mushrooming to over 1.6x original bullet diameter
- Nickel-plated cases assure reliable extraction in all actions
- Primer and mouth waterproofed for weather and storage reliability
- Spiral nose cuts and thick jacket control mushroom for maximum energy transfer

BULLET STYLE DESCRIPTIONS: BJHP = Brass Jacketed Hollow Point / JHP = Jacketed Hollow Point

NOTE: (+P) on the case head stamp is loaded to higher pressure. Use only in firearms designated for this cartridge and so recommended by the gun manufacturer.

### 22 SHORT AND 22 LONG HIGH VELOCITY:

- Perfect for small-game hunting or plinking
- Golden™ bullet cartridges chamber easily and shoot clean
- Available in short and long rifle with:
  - 29-gr. round nose bullet (short only)
  - 40-gr. round nose bullet
  - 36-gr. hollow point bullet

### 22 SUBSONIC™ LONG RIFLE:

- Full-sized long-rifle cartridge loaded to 1050 fps
- Subsonic velocity eliminates muzzle crack
- Perfect for small game at medium range
- Functions in all popular 22 autoloaders
- Features 38-gr. lead hollow point bullet

### VIPER® HYPER VELOCITY 22 LONG RIFLE:

- Offers optimum velocity and on-game energy
- 36-gr. truncated-cone solid bullet
- Muzzle velocity is 1410 fps

### 22 CYCLONE® LONG RIFLE HIGH SPEED:

- Economically priced long-rifle cartridge ideal for small game
- Features 36-gr. lead hollow point expanding bullet
- Muzzle velocity 1280 fps

### YELLOW JACKET® HYPER VELOCITY 22 LONG RIFLE:

- Offers optimum velocity and on-game energy
- 33-gr. truncated-cone hollow-point bullet
- Muzzle velocity is 1500 fps

### 22 THUNDERBOLT® LONG RIFLE:

- Long rifle 22 offers high performance at an economical price
- Features 40-gr. lead round nose
- Muzzle velocity 1255 fps

### TARGET STANDARD VELOCITY 22 LONG RIFLE:

- Reliable long rifle target load with consistent velocity
- Features round nose bullet that delivers superior accuracy
- Packed in 50 and 100-round boxes

\* Packed 100 Rounds Per Box, 50 Boxes Per Case, 5000 Rounds Per Case

\*\* Packed 50 Rounds Per Box, 40 Boxes Per Case, 2000 Rounds Per Case

\*\*\* Packed 40 Rounds Per Box, 100 Boxes Per Case, 4000 Rounds Per Case

BULLET STYLE DESCRIPTIONS: RN = Round Nose / HP = Hollow Point / TCHP = Truncated Cone Hollow Point / TCSB = Truncated Cone Solid Bullet

- Virtually eliminates lead exposure at firing line
- Duplicates felt recoil and point of impact of conventional loads
- Heavy- metal-free primer system
- Flat nose enclosed base bullet design prevents the hot expanding propellant gases from vaporizing lead from the bullet's base
- Made in the USA

BULLET STYLE DESCRIPTIONS: JHP = Jacketed Hollow Point / FNEB = Flat Nose Enclosed Base / HP = Hollow Point / MC = Metal Case

\*\*Previously "Remington Bore Cleaner."

### 40-X™ BORE CLEANER™ (FORMERLY "REMINGTON BORE CLEANER")

- 40-X name ties into the products origins in Precision Benchrest Shooting
- Product is uniquely formulated for rifles to improve cleaning, accuracy and performance
- Fast and easy to use -- no soaking or foul odors
- 2-oz. white oval bottle in footed clamshell
- White positive closure cap

### 2 OZ. REM® OIL (CLEAR OVAL BOTTLE)

- Cleans dirt and grime from exposed metal surfaces while displacing non-visible moisture from metal pores
- Protects internal and external metal parts from rust and corrosion
- Exclusive Teflon formula provides a thin, long-lasting film that keeps actions working smoothly by reducing metal-to-metal wear

### BRITE BORE™ SOLVENT

- Dissolves carbon and powder fouling, removes copper, lead and plastic deposits
- Low odor -- contains no CFC's
- Handy size for field/range use
- Comes in 6-oz. can and 4-oz. jar
- New for 2006 -- 2-oz. opaque white bottle

### REM® OIL WIPES

- 12 foil wrapped wipes
- 6" x 8" wipe cloth saturated w/Rem Oil

### PRELOADED REM® OIL MERCHANDISE STRIP

- 4-color merchandising strips come pre-loaded to save time and labor
- Features popular Rem Oil 1-oz. product at a great price point for impulse purchases
- 12 units per merchandising strip
- 3 different merchandiser strips in each case
- Total of 36 units
- Merchandise near high-traffic ammo displays, cash registers, license counters and gun counters for add-on high margin sales

#### 16" PLUG-IN DEHUMIDIFIER

- Works by gently warming the air inside your safe which helps in minimizing moisture
- 6' cord comes with easily assembled plug to allow installation using a small hole in back of safe
- Protects even up to 200 cubic feet – more than enough for the largest gun safes
- UL Listed

#### THREE PACK TRIGGER BLOCKS (CLAMPACK)

- Features a hardened steel center locking post and rubber insert pads to prevent scratching
- Includes 2 keys

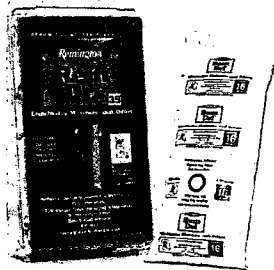

#### CABLE LOCK

- California-approved cable lock
- Wire cable is protected by hardened steel beads offering flexibility with protection against cutting and sawing
- Hardened steel laminated lock body
- "Ball-Lock" cable retaining system allows the user to secure the cable into the lock body easily
- Brass 4-pin tumbler lock plug

#### REM DRI™ 35 DESICCANT

- Removes moisture to prevent rust corrosion and eliminates odors in gun safes and cabinets
- Tear resistant Tyvek® packaging is leak-proof
- No electricity required, easy to read indicator
- Rechargeable for multiple uses, non-toxic
- Clamshell packaging can stand or peg
- Protects up to 35 cu. ft. of enclosed space
- 450 gms. /16 oz.

#### MODEL 365 MINI DEHUMIDIFIER

- Compact unit attracts and holds moisture through water crystal technology to protect gun safes and cabinets
- Protects 30-60 days before recharging is necessary
- Self-contained unit requires no wiring or extension cords
- Indicator window lets consumer know when to recharge
- Recharges easily in a few hours
- Releases moisture trapped in water crystals

# 2006 Remington® Price List

## STANDARD CONDITIONS OF SALES DECEMBER 1, 2005

### 1. PRECEDENCE.

All agreements, contracts, and purchase orders for products marketed or sold by Remington ("Products") shall include and incorporate the terms and conditions contained in these Standard Conditions of Sales (SCS), and the SCS shall supersede and take precedence over any conflicting terms and conditions in any previous agreement, contract, or purchase order. Remington reserves the right to amend these SCS at any time. Purchaser agrees to the terms of the SCS by submitting a purchase request or order to Remington. Acceptance by Remington of Purchaser's purchase request or order is expressly limited to all of the terms and conditions of these SCS. Any purchase order, confirmation memorandum or other writing submitted by Purchaser will not be deemed to vary the terms of these SCS.

### 2. ACCEPTANCE OF ORDERS.

All purchase orders, whether solicited or unsolicited, are subject to acceptance, in whole and in part, upon receipt by Remington in Madison, North Carolina, and Remington reserves the right to reject and/or not to accept any order, in whole or in part, without incurring any liability for any such rejection. Should any part of an order be rejected or not accepted by Remington, Remington reserves the right to ship the remainder under the terms of these SCS, and, if shipped, Purchaser agrees to accept the delivery and pay for all Products included in the portion of the order accepted by Remington. Remington shall not be liable for failing to make prompt delivery when such failure is due to circumstances, causes, and/or contingencies beyond Remington's control, including, but not limited to, acts of God, fire, explosion, flood, war, act of or authorized by any government, accident, equipment failure, labor trouble or shortage, inability to obtain material, equipment, or transportation. Quantities so affected may be eliminated from any order without liability. The remainder of any order shall otherwise remain unaffected. Remington shall have no obligation to purchase supplies of the Product to enable it to perform shipment of any order. Remington reserves the right to discontinue product lines and to make changes to Products offered at any time, with or without notice, and will be under no liability for any such discontinuance or change.

### 3. APPORTIONMENT.

If for any reason Remington is unable to supply the total demand for any Products, Remington may distribute its available supply among any and all of its customers, as well as departments and divisions of Remington, on such basis as it may deem fair and practical, without liability for any failure of performance which may result therefrom.

### 4. GOVERNMENT ACTION.

If any government action should place limitations on the price of any Product such that it would be illegal or against public policy for Remington to charge such prices, then Remington shall have the option (1) to continue to perform subject to such adjustments in prices as Remington deems necessary to comply with such government action, (2) to revise the pricing and agreement, subject to Purchaser's approval, in order to most nearly accomplish the original intent of the agreement, or (3) to terminate performance of the affected portions of the agreement without any liability for any damage, with all unaffected portions of the agreement to remain in full force and effect.

### 5. PRICES.

Manufacturer's selling prices for Products are described in Remington's current applicable Price Lists and supersede all prices previously in effect or previously quoted. All orders on file and all orders accepted by Remington shall be subject to prices in effect on date of shipment unless otherwise agreed in writing by the parties. U.S. Federal Excise Tax is included where applicable. Prices are subject to change at any time without notice. All resale prices set forth in Remington's Price List are suggested prices only. Purchaser shall reimburse Remington for all taxes, excise or other charges, if any, which Remington may be required to pay to any government (foreign, national, state, or local) upon the sale or transportation of the Product sold to the Purchaser.

### 6. BACKORDERS.\*

Remington will attempt to ship all Product orders on the requested shipping dates and will create a backorder for any unshipped balance unless specifically indicated on the original purchase order that backorders are unacceptable. Remington will continue to ship against the open balance of an order unless a written or electronic cancellation request is received 10 days prior to shipment. If Purchaser provides a cancellation date in the original purchase order, Remington will continue to ship against the open balance of the order up to the Purchaser's cancellation date. Purchaser shall not deduct a late charge for back order shipments. All backorders for firearms with the exception of Custom Shop, Spring Guns, Law Enforcement, Military and Export orders will be canceled on November 30, 2006. All backorders for all other products will be cancelled on December 31, 2006.

### 7. CANCELLATIONS.\*

Cancellation of orders or backorders must be made in writing by letter to:  
Remington Arms Company, Inc.  
Attention: Customer Service  
870 Remington Drive  
Post Office Box 700  
Madison, North Carolina 27025-0700  
Fax: 336-548-7721

Purchaser may cancel an order or backorder if the Customer Service Representative receives the cancellation request 10 days prior to shipment. Purchaser may not cancel or alter an order or backorder less than 10 days before shipment. If Remington agrees, at its discretion, to accept a cancellation 9 days or less from the shipment date, Purchaser agrees to pay a restocking charge of 15% of the invoice amount. Orders for custom Products or specifically manufactured Products ("Special Products") are subject to special quotation, and may not be canceled after acceptance of the order by Remington unless Remington consents to the cancellation in writing.

### 8. PACKAGING AND MARKINGS.

All orders will be shipped in standard packaging and at standard pack levels. Remington reserves the right to revise order quantities to standard pack levels. Orders calling for any special packaging or special marking may be, at Remington's option, subject to additional service charges. All Product labeling, literature and instructions on or packed with, or associated with any Product must be passed on by Purchaser to its customer.

### 9. FREIGHT.

Products are shipped F.O.B. Remington factory or warehouse. Title and risk of loss passes to Purchaser at point of shipment for all shipments unless expressly agreed to otherwise by Remington in writing. Freight charges are prepaid to Purchaser's shipping address to points in the United States. Remington retains the right to make and route shipments in the most practical and safe manner as determined in its sole discretion regardless of any special routing instructions listed on any purchase orders. Special routing or rapid delivery requests will be prepaid with charges added to the invoice. Remington will make every reasonable effort to meet requested delivery dates and to instruct carriers to schedule delivery as requested on purchase orders. However, legal detention, redelivery, and reconfirmation charges assessed by any carrier will be the responsibility of the consignee. Shipments to destinations other than authorized shipping locations (drop shipments), when expressly allowed in writing or as established on the electronic purchase order, are subject to a 5% service charge. State Tax Exemption Certificates must be provided for any alternate shipping destination.

### 10. SHORTAGE, DAMAGE AND NON-DELIVERY CLAIMS.

Shipments involving shortages, damage, non-delivery, or concealed shortages are the responsibility of the Purchaser or consignee, and claims must be filed directly with the delivering carrier. Purchaser is responsible for promptly and carefully inspecting all shipments to insure proper receipt. Inspection should include verification of total number of cartons, exterior condition and agreement with packing lists. If Purchaser finds any sign of damage or discrepancy upon receipt and inspection, Purchaser must note the discrepancy on all copies of the carrier's delivery receipt. Remington will not be responsible for any loss, damage or pilferage occurring after shipment. When such loss, damages, or pilferage does occur, Purchaser must file its claim with the carrier. Purchaser must notify Remington in writing or electronically within 60 days of date of invoice of any Product irregularities or dissatisfaction of any kind including quantities shipped, terms, discounts, or conditions of sale. Failure to provide this written notice will constitute complete acceptance by Purchaser of the Product order as shipped and invoiced, and will constitute a waiver of all claims with respect to such Products. Any claim for damages against Remington of any kind pursuant to or in connection with this agreement, any purchase order or the Products, in any manner, whether based on negligence, contract or any other cause of action, shall be limited in damages and recovery to an amount not to exceed the purchase price of the Products. Purchaser's short payment of invoices or use of a credit deduction for any transportation claim or shortages are expressly prohibited.

### 11. RETURNED GOODS.

Remington Customer Service Department must approve in advance the return of any Products. Purchaser may not return any Products under this provision without first receiving and then using a Return Goods Authorization number (RGA) and Product mailing labels as provided by Remington. When requesting authorization, Purchaser must provide the reason for the return and the invoice number. Unauthorized returns will be refused and returned at Purchaser's expense. Return of discontinued or close-out merchandise will not be accepted under any circumstances. Remington will inspect returned Product and may charge Purchaser for any missing parts or damage. If the Product return is due to Purchaser's error, the credit invoice may be subject to a 15% restocking charge. Under these circumstances, Purchaser must return the Products freight prepaid. Collect shipments may be refused at Remington's sole option. Once all documentation is complete, Remington will credit purchaser's account within 30 days of receipt of the authorized return. Remington will base any credit to purchaser's account on the original purchase price including applicable discounts. Remington may separately invoice restocking charges, if any, at Remington's option. Purchaser's short payment of an invoice or use of a credit deduction in anticipation of a credit invoice are expressly prohibited.

## 2006 Remington® Price List (cont'd)

### STANDARD CONDITIONS OF SALES DECEMBER 1, 2005

#### 12. WARRANTIES.

Remington warrants title to Products sold hereunder and that such Products are of merchantable quality within the meaning of the North Carolina Uniform Commercial Code. Remington warrants that the use or sale of the Products will not infringe upon any United States patent covering the Products themselves; but Remington does not warrant against infringement by reason of the use of Products in combination with other Products or in the operation of any process or after transformation or modification by Purchaser. ANY LIABILITY OF REMINGTON UNDER THIS WARRANTY CLAUSE SHALL BE LIMITED TO REPAIR OR REPLACEMENT OF THE PRODUCT. UNDER NO CIRCUMSTANCES SHALL REMINGTON BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHATSOEVER. EXCEPT AS OTHERWISE EXPRESSED IN WRITING, REMINGTON MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, AS TO ANY MATTER WHATSOEVER. ANY IMPLIED WARRANTY OF MERCHANTABILITY WHICH EXCEEDS THIS WARRANTY IS HEREBY DISCLAIMED BY REMINGTON, AND ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE WHICH EXCEEDS THIS WARRANTY CLAUSE IS HEREBY DISCLAIMED BY REMINGTON. Remington specifically reserves the right to inspect all Products alleged to be defective for evidence of misuse or abuse, and to determine whether, in Remington's sole determination, a repair or replacement of any such Product is due. All warranties under this provision are limited to Purchaser only and are unassignable, and shall not extend or apply to any third party.

#### 13. PAYMENT TERMS.

All payment terms and cash discounts including anticipation discounts, are listed on the issued invoice for each shipment of Products and discounts are based solely on invoice and payment dates. Payment date is the date payment is received by Remington's bank, or, if payment by electronic funds transfer, the settlement date at Remington's bank. Payment of invoices is required by due date; however, any invoice subject to anticipation dating terms may be paid early subject to the discount schedule set forth with the applicable sales program. To insure proper payment application against open balances, a remittance advice, including customer account number, invoice number and date must be sent to the address noted on the invoice. Invoices not paid by due date are subject to a late payment service charge and may jeopardize Purchaser's qualification for any sales program incentives, including but not limited to discounts, allowances and favorable pricing. Late Payment Service Charge shall be at a rate of 1.5% per month or 18% per annum or legal maximum if less. Accounts must be paid promptly when due. Any past due invoice will automatically make all outstanding amounts due and payable immediately regardless of payment terms or due date, and Remington may demand payment of the entire account. In addition, Remington may demand that the Purchaser recognize all past due amounts via an interest-bearing note secured by collateral deemed appropriate by Remington. All costs to effect such security, including UCC-1 filings, shall be paid by the Purchaser. Subsequent orders may not be shipped until the account is current. In the event Purchaser fails to fulfill Remington's terms of payment or in the case Remington shall have any doubt at any time as to Purchaser's financial responsibility, Remington may decline to make any further deliveries to Purchaser. In the event of any change in ownership, including but not limited to sale, transfer, merger or ceasing of operations, all outstanding invoices, regardless of terms of sale or payment date, shall become due and payable immediately. Any deviation from this provision will be at the sole discretion of Remington and must be agreed to by Remington in writing. Any invoice dispute must be submitted to Remington in writing within 30 days of the invoice date. Disputes will be reviewed provided Purchaser provides documentation including invoice numbers, dates and reasons for the dispute. Resolution of invoice disputes will be provided by Remington within 30 days after receipt of written documentation and after verification will be credited to Purchaser's account if invoice disputes are found to be correct. If not correct, Remington may request additional documentation. Purchaser may not deduct any amount from invoice payment because of an invoice dispute or in lieu of reimbursement for any discount, allowance, coop advertising and/or credit adjustment.

Purchaser's short payment of an invoice or use of a credit deduction in anticipation of a transportation claim or shortage, credit invoice, or coop advertising credit are expressly prohibited.

#### 14. EXPORTS.

Remington's International Division has distribution systems in place for Products in most foreign countries. Purchaser may not export Products or sell Products to any customer who Purchaser knows will export Products outside of the United States.

#### 15. CONFORMITY WITH LAWS AND REGULATIONS.

Purchaser of Products agrees to conform with all applicable Federal, State and Local laws, regulations and ordinances concerning the purchase, possession, storage, transportation and resale of all Products. Purchaser specifically agrees to furnish Remington with a signed, certified copy of the Federal Firearms License applicable to the destination or destinations for multi-locations before Remington will ship any firearms. Purchaser also agrees to furnish a new, signed copy of the Federal Firearms License when it is renewed. If at any time, and for any reason, a Federal Firearms License is revoked or is allowed to expire without timely renewal, the Purchaser specifically agrees to notify Remington immediately. Remington will suspend all shipments to the Purchaser until the signed copy of the renewed license is received by

Remington. Remington reserves the right to terminate all orders and agreements with any Purchaser who fails to provide a signed copy of a Federal Firearms License or whose Federal Firearms License is revoked by the United States Government. Purchaser agrees to furnish Remington with a certified copy of a Tax Exemption Certificate. If Remington does not have a certified Tax Exemption Certificate on file, applicable sales tax will be applied to all accepted purchase orders and added to all invoices. Purchaser may not deduct any amount from invoice payment because of a sales tax dispute or in lieu of reimbursement for any sales tax, allowance, and/or credit adjustment.

#### 16. CHOICE OF LAW.

Any controversy or claim arising or relating to these Standard Conditions of Sale, or to any agreements, contracts, or purchase orders in which these Standard Conditions of Sale are included and made a part, or any breach thereof, shall be governed by the laws of the State of North Carolina. In addition to Remington's remedies provided herein, all of Remington's remedies under the Uniform Commercial Code are specifically incorporated in these SCS.

#### 17. PURCHASER OBLIGATIONS AND RESPONSIBILITIES.

Purchaser agrees to pay all accounts when due, and acknowledges that Remington may refrain from accepting or shipping additional orders until all accounts are paid in full when due. Purchaser agrees to indemnify, reimburse and hold harmless Remington from any and all attorney fees and costs incurred by Remington as the result of Purchaser's breach of any obligation or provision under this agreement. Purchaser agrees and covenants to provide to Remington reasonable supporting financial information, as requested, sufficient to demonstrate Purchaser's ability to pay the purchase price for the purchased Products. Such financial information may include, but is not limited to, complete financial statements, bank and trade references, insurance certificates, personal guarantees and standby letters of credit. Purchaser agrees to furnish updated financial information on an annual basis, any time Purchaser incurs a material change in its financial status, and at any reasonable time upon request. Purchaser authorizes Remington to receive support information and to discuss Purchaser's financial condition with third parties to verify the provided information.

#### 18. NONINTERFERENCE.

Purchaser agrees that it will not, without the prior written consent of Remington, directly or indirectly solicit any employee of Remington or induce any employee to leave Remington's employment for a period of one (1) year after the most recent date Remington accepts a purchase request or order from Purchaser.

#### 19. ORDERING PROCEDURES.

All purchase orders should clearly indicate the below ordering information (failure to provide all of this information could delay receipt of Product):

Customer Account number:  
Bill to (name and mailing address):  
Sold to (name and mailing address):  
Ship to (name and shipping address):  
Name of buyer and phone number for contact:  
Purchase order number and date:  
Requested delivery date:  
Backorder policy (allowed or not):  
Cancellation Date:  
Program you are buying under (expected discount and terms):  
Remington Product order number or material number:  
Remington Product description (and color if applicable):  
Quantity:  
Unit of Measure:

Mail to:  
Remington Arms Co., Inc.  
Customer Service  
870 Remington Drive  
PO Box 700  
Madison, NC 27025-0700  
FAX to: 336-548-7721

Or, if by electronic data interchange, send to Remington electronic mail box identification number.

#### 20. REPAIR SERVICE.

Remington has established Service and Repair Stations for all firearms throughout the United States to provide faster service on most repairs. Consumer service complaints on Remington firearms should be sent to the nearest facility. A list of the established New Gun Repair locations will be provided to authorized Remington outlets. In absence of the listing, please call Consumer Services 1-800-243-9700 for the nearest location. Remington Product Service:
