

shotguns. Since this includes guns bought used as well as new, and include all types and calibers or gauges (22 as well as center fire), these figures haven't much meaning. But, for what they're worth, they are:

	<u>Cost of favorite guns</u>	
	<u>Average</u>	<u>Median</u>
Rifle	\$35.83	\$27.03
Shotgun	60.33	45.80

The length of time sportsmen have owned their favorite guns

Again on the average, favorite rifles have been in their present hands almost eight years; shotguns almost nine years:

	<u>Years of Ownership of Favorite Guns</u>	
	<u>Average</u>	<u>Median</u>
Rifle	7.95 Years	8.94 Years
Shotgun	5.76 Years	5.64 Years
