October 21, 1946

TO: E. M. ALVIN
FROM: H. A. Brown
SUBJECT: MODEL 721 AND 722 DESIGN

The design of Model 721-722 was officially frozen by the Products Committee, Minute 722, July 11, 1946. Only changes in design to insure satisfactory functioning were considered as exceptions.

Changes in design on any component of Model 721 or 722 will require prior approval of this office before making any change.

Signature of the writer E. M. Alvin is authorized and in effect. Approval H. J. Harkness is authorized.
