

TD-63215 - DEVELOPMENT OF MACHINE PISTOL - XP100A

CLASS Supporting - General Ledger

Major Expenditures
1962 (Estimated)

Summary \$5,000
\$40,000

Request for 19 63

REASONS: The development of the 221 Caliber "Fireball" single shot pistol created interest in an autoloading pistol of this type. The ease of carrying, size, range, caliber, accuracy, etc. as compared to Service rifles is of interest to the Armed Services. It is planned to continue with this development.

- OBJECTIVES: 1. Develop and build models
2. Review with Armed Services and Management
3. Test and evaluate
