Dear Wayne -

I am sending you this rifle,
my 6x Redfield, some loaded rounds, some
new cases (better) & dies.

Roy Weatherby is interested
in this. But so far we have the rifle -

We should develop this for 243 OK -
our competitor - Weatherby will have it and
he will sell it easy in his belted case line.

This sure as hell is better than the ²⁴³244 or 6mm.
I've killed too much game. Best regards - Tom
