Dear Wayne -

I am sending you this rifle, my 6x Redfield, some loaded rounds, some new cases (belts) & dies.

Roy Weatherby is interested in this. But so far we have the rifle -

We should develop this for 244; OK - our competitor - Weatherby will have it and he will sell it easier in his belted case line.

This sure as hell is better than the ²⁴³244 w 6m. I've killed too much game. Best regards - Tom
