

M-700

Review 3:00 PM.

Bernie - Kass

Assy. today - approx. 300 Guns

As of 3:40 PM. no satisfactory B.O.L.
Trigger Guards have been produced. Color
is purple and not acceptable.

Potential stacks for tomorrow:

S.A. "B." 300 (on assay at 3:00 PM)

Anticipated production for tomorrow's use - 300
S.A. stacks, mostly G.O.L.

7mm "B" stacks approx 50 per day up to 150
→ 49 were on assay today - total now 200

Should we consider making 7mm "S" type B.O.L.?
