SUBJECT: MODEL 700 BDL RIFLES RETURNED FROM WESTERN HOGGEE

I am in receipt of a letter from D. Lee Braun dated February 4, 1969, copy of which is attached. I believe Pete Morgan has already been in touch with Fred Plunkett on this matter.

Pete and I would like to go over these guns with you and Fred Plunkett the morning of February 20th when we will be in Ilion for the Operations Committee Meeting, and it would therefore be appreciated if you and Fred can get together with Pete and me as indicated.
