

THE VANGUARD By

Weatherby

The only medium priced rifle that lives up to the Weatherby reputation

In spite of its lower price, the Vanguard is nevertheless endowed with Weatherby values that include recessed bolt face . . . handbedding of each barrel to each stock . . . hand-checkering . . . the highest quality barrel steel . . . hammer-forged barrels for accuracy and long life . . . and since the best walnut comes from America, Vanguard's stock is made from the choicest American walnut. This makes it without question the outstanding buy among rifles in its caliber class.
