TO: A. D. KERR
FROM: F. E. MORGAN

We have, as of March 25, 1971, customer orders for
4,804 Model 700 BDL 17 caliber rifles.

The total does not include any consignment orders for
our field men, outdoor writers, etc. that are either
open or shipped. I roughly estimate these miscellaneous
units at a total of 200.
