To R. L. HALL C. B. WORKMAN Location _____
From H. D. ALBAUGH Location _____ Phone No. _____
Subject _____ Date 1/2/79

As you are aware, it was decided that the designation for the new cartridge, 7mm-06 Remington, was not appropriate. A new designation has been approved by Management and is explained in the attached T. W. Rawson letter of December 20.

Please see that all under your supervision who are involved in the matter are made aware of this action.
