"CONFINE YOUR LETTER TO ONE SUBJECT ONLY" _____

Hion, New York
August 5, 1980

TO: J. R. SNEDEKER

FROM: J. H. HENNINGS ←

SUBJECT: M/700 SAFETY LEVER WITH VIEW HOLE FOR SEAR ENGAGEMENT INSPECTION

Attached is test report on dry cycle evaluation of the M/700 Safety Lever with the view hole. The sample of one tested reveals no problems generated by the view hole. Additional samples should be tested (dry cycle) before final approval is issued.
