

DON'T SAY IT-WRITE IT

File # M/703
To John Linder
From Phil Johnson

Date 6-9-81

This is to confirm that on June 1, and 2, we
magnified 12 M/700 17 cal. stainless barrels, then
fired 10 proof rounds through each, and then re-magna-
fied. Since no cracks were found in any of the
barrels they were returned to Jack Carter.
