MODEL 700 FIELD SERVICE GUNSMITH BULLETIN  
TRIGGER ASSEMBLIES & SELECTED TRIGGER ASSEMBLY PARTS

---

The attached approved bulletin will be forwarded to Arms Service for distribution to all Remington gunsmiths.

In addition it is recommended that Arms Service include a copy of the instructions along with each shipment of ordered parts. This will assure receipt of the instructions to the gunsmiths.

These instructions will be incorporated into the revised Field Service Manual.

Research will supply Arms Service with the master, from which copies can be made for distribution. Should you have any questions, please advise.
