TO: R.L. SASSONE  
FROM: W.H. FORSON  
SUBJECT: INSTRUCTION BOOK - MODEL SEVEN

Marketing has reviewed the Model Seven Instruction Book and the following comments apply to the pages indicated.

- Front and back cover - Du Pont oval should be larger, the height must equal the height of the "R" in Remington. (Copy of correct logo attached.)
- Page 1 - Picture of Model Seven appears to be different in the fore-end area than the approved version.
- Page 8 - Add warning at bottom of page in red.  
Warning: If gun fails to fire, keep it pointed in safe direction, wait 30 seconds, then carefully unload according to instructions above.
