"CONFINE YOUR LETTER TO ONE SUBJECT ONLY" _____

October 5, 1982

TO: T. L. CAPELETTI
FROM: J. S. MARTIN *JSM*
SUBJECT: NEW BDL M/700 RIFLE

On Friday, October 1, 1982, I called Bob Emmons on the stock work he is doing for us. Again he said that he had not received the barreled action from Pete Grizzel. I obtained Pete's telephone number from Bob and called him. Pete said he would have the action complete by October 8th and would send it to Bob Emmons for stocking. This action will have a tang safety and his other goodies (new bolt handle, receiver shapes, etc.).

I also talked to Pete about doing a three position safety on the bolt plug. He said if we would send him one, he would do it.

I will have Fred Martin send him a M/700 bolt assembly and disarm the firing pin (shorten). I will then call Pete to get a schedule for completion.
