Dear Mr. Du Pont:

I am writing as a follow up to our telephone conversation, and to my letter of 7-29-82. We would like to verify that you received the sample stock that we discussed. A Memo Invoice sent to you was returned, stating address unknown. I called, and your secretary stated that she was sure the stock had been received, but would have you contact me to verify it.

We hope everything is progressing satisfactorily, and that you are able to furnish us injection molded sample stocks. We look forward to receiving and testing your product.

Very truly yours,

J. W. Brooks, Supervisor
