Dear Phil:

Bob Fielitz advises that you would like Remington to consider several new ideas you have about improving our firearms.

As you know from your long association with Remington, we are always interested in receiving new ideas, and the many suggestions we receive each year are carefully considered. It is Remington policy, however, to limit our consideration to those suggestions which are submitted in accordance with the understanding embodied in the enclosed disclosure agreement with which I believe you are familiar. This agreement has proved necessary to avoid misunderstanding as to the non-confidential basis on which suggestions can be considered.

Please sign and date one copy for each idea you wish us to consider (the other is for your file), and return it to me with any additional information you want us to see. I will then send it on to Fielitz and Clark Workman for evaluation.

If you have any questions, please give me a call. I look forward to hearing from you and hope that you are enjoying your well deserved retirement.

Best regards,

Sincerely yours,

BARRY ESTRIN
