Gentlemen:

This office represents Barbara Jo. Schierkolk of 8474 Depew Street, Arvada, Colorado, and her husband, William Schierkolk.

This letter is to put you on notice of a possible breach of warranty claim on behalf of Mrs. Schierkolk. The circumstances of the incident are as follows:

Mr. and Mrs. Schierkolk were in the company of a Mr. Yost, of 8484 Delmar Street, Arvada, Colorado, and his son, Billy, while hunting on November 6, 1982 in Eagle County, Colorado. Master Yost was using a model 700, Serial No. 6571156 Remington 24" barrelled rifle in caliber 308. While the arm was being unloaded, it discharged, the bullet striking Mrs. Schierkolk in the right femur and the left leg. At this time, the circumstances indicate that the rifle may have not been reasonably fit for the purpose for which it was intended, nor reasonably safe for others.

Any communications whatsoever concerning this matter should be directed to the undersigned, or to Mr. Blaine Boyens, Attorney at Law, 7255 Irving Street #211, Westminster, Colorado, who also represents Mr. and Mrs. Schierkolk.

Yours very truly,

*David M. Bryans*
