SPECIAL M/700 .308 VARMIN'T GUNS

We have a tentative request to build 175 special .308 Varmint Rifles with a different stock and barrel finish. These components are coming through the line.

Will you please hold 175 + scrap (10%) before finish, and let us know when available. Process Engineering will issue a work order to cover special processing and will assist Production in meeting specifications.

Thank you.
