Herkimer County Sheriff's Dept.
Herkimer County Courthouse
Main Street
Herkimer, New York

Gentlemen:

Upon recommendations of the Bureau of Alcohol, Tobacco and Firearms and your Department, I am enclosing a list of names of Remington personnel who will be transporting the XP-100 Pistol to the Ilion Fish and Game Club. I am also enclosing detailed maps of the routes to be followed to and from the firearms plant.

The following guidelines have been established and will be followed each time the Remington Model XP-100 Pistols are field evaluated.

- o A company pass with serial numbers of all pistols being transported will be with the vehicle.
- o One or more persons on the designated list will be with the pistols at all times.
- o A copy of our Manufacturer's License or the license numbers on company stationary will be with the transporting vehicle.
- o All pistols will be transported in an approved locked container.

Acknowledgement of this letter would be appreciated and a formal approval on Department letterhead outlining the described procedures would be beneficial.

If there are any further questions, please contact me.

Thank you again for your assistance.
