Dear Mr. ...:

"Today, we had the pleasure of meeting with Fred B. ...
Field Service Representative, Firearms. Fred is a very
helpful, knowledgeable, and dedicated person. He explained
the background, requirements, and details necessary to
represent your company in a commercial environment.

We took notes of notes on all applicable phases of
Remington gun models and peoples names to contact for
service, parts, legal, law enforcement, or other specialized
questions. It is remarkable to find that Fred has such in-
depth knowledge about gunsmithing, ammunition, and personal
goodwill consideration.

Fred represents your company in the highest tradition and we
wish to compliment our relationship with Remington Factory
recommended gunsmith status.

Thank you very much for personnel like Fred, and your
consideration.

Sincerely,

Horris T. Turnbull
